1. Sophie Sue is baking her favorite cinnamon cookies and eating pancakes with her friends. What do you eat when your friends come play at your house? What's your favorite meal? Have you ever tried to cook with your parents?
2. Sophie Sue and her friends head to South Africa to save Robbie the Rhino. Have you ever travelled outside of your country? Where did you go?
3. Where would you like to travel some day?
4. In South Africa, there are many animals there: zebras, cheetahs, baboons, monkeys, hippos, owls and lions, to name a few... Let's play a game! Think of an animal you would like to imitate. Don't tell your friends just yet. Try to act like this animal and have people guess what you are.
5. South Africa has a very colorful flag. Describe the colors of your flag.
6. "Enkosi" and "Dankie" are how people say "Thank you" in South Africa. Do you know any other way people say "Thank you" in other countries?
7. Sophie's Wiener-Copter can blow clouds of magic dust. Which magical power do you wish you had?
8. Rhinos are an endangered species. It means that there are very few of them left in our world. Do you know any other endangered animal?
9. What laws would you make to protect the animals of the jungle?
